Dear Kelly,

I am writing to thank you for the very impressive amount of £200 you, your colleagues and your students raised for UKLA's Project Connect: Books for Africa. This comes, as always, at an opportune moment.

Your donation is greatly appreciated. The money will be put to good use to buy books for schools in Africa, probably library books, either in Amharic for libraries in Ethiopia, or in Kiswahili for children in primary schools in Zanzibar, like those you see in Kisiwandui School below. I hope they come out better on your printer than they did on mine!

With warmest wishes,

Henrietta
