Altmore children and staff took part in Sport Relief by completing sporty 'Daily Challenges' every day. We wore red to school and managed to raise an amazing £276.05!!! Thank you to parents and carers for your support.

Artists in residence

On Friday March 23rd, Year 2 took part in a day of Art. Some of the children swapped classes for the day and used inspiration from the African artist Eduardo Tingatinga to create their own artwork. They created their work using Lino printmaking, polystyrene printmaking, making collages, sewing cushions or making mosaics. Children in **Class 13** made mosaics of different African animals by arranging the tiles, sticking them down and using grout to secure them in place. It was a fantastic day and the children all produced some excellent and eye-catching pieces of work!

Parents, please connect with us!

Download a free **QR Code Scanner App** on your smartphone to enable you to access some of your child's work in their books. Once you have done this, open the app and scan the barcode to instantly link to work we have been doing in class.

Times of Day

Altmore school gates open at **8.30am**. Soft start is from **8.45am**. It would be great if your child was in school by **8.50am**. Gates close at **8.55am** when learning begins. Due to Staff Briefing on Fridays there is no Soft start and Nursery gate doesn't open till 8.55am.

Hop it!

Class 6 enjoyed our Sport Relief daily challenge. We competed in hopping races; hula hooping and we even had a boogie on Thursday! We thoroughly enjoyed the hopping race and competing against our class mates, however we found it difficult hopping on one leg!

We loved doing our star jumps and we managed to get 20 star jumps done in a minute!
